You're on your way
So take me back, take me back
The enemy is callin' again
Now flush him out!

The way to defeat it
Lock and load
The way to defeat it
Just unload

What do you say?
When they call you out, call you out
The enemy is claimin'
To be what he is not!

The way to defeat it
Lock and load
The way to defeat it
Just unload

Who would claim?
To be that which he is not?
Why would you claim to be?
Somethin' you're not?

To defeat it
Lock and load
To defeat it
Just unload
