Get up!

I saw a painting of your lover on the wall,  
Right next to the lizard king.  
I think it's funny how my life gets put on hold,  
Every time I hear the telephone ring.

I would have thought you'd preferred me a friend,  
But I'm just as happy being the enemy.

You tell me about the people I don't wanna hear about,  
You could live again,  
If only you could learn to she'd the skin.

I saw a picture of you hanging on the door,  
But it doesn't make my heart ache.

Take this for what it's worth, my friend,  
A snake will always be a snake.

I would have thought you'd preferred me a friend,  
But I'm just as happy being the enemy.

You tell me about the people I don't wanna hear about,  
You could live again,  
If only you could learn to she'd the skin.

I don't want to be your friend,  
I just want to be the enemy.

I would have thought you'd preferred me a friend,  
But I'm just as happy being the enemy.
