well it gives me the runaround
and I don't wanna fight
i got the sense to turn around
you ain't wrapped too tight
i might need a tourniquet
to keep the wounds in check
i might need an extra set of eyes
to keep you in check
i drink the backwash
from the sewer now and then
i ain't got time to help us both
help yourself
i ain't got the time

now the ship has run aground
and there's no help in sight
i got the sense to turn around
i can't win this fight
i might need a tourniquet
to keep the wounds in check
i might need an extra set of eyes
to keep you in check
i drink the backwash
from the sewer now and then
i ain't got time to help us both
help yourself
i ain't got the time
