you don't conform,
you contort
you distort
everything you don't reply,
you rely on everyone
to set it up
you just reject,
you dissect the ideas
'cuz it's ideal
you don't conform,
you contort
you distort
everyone and everything
breakin' away
from the system
you don't relate,
you just hate
to bear the weight
you don't reply,
you rely
on everyone to set it up

you don't conform,
you deform
you contort everything
you don't conform,
you just distort
breakin' away
from the system
reject the system,
dissect the system
reject the system,
dissect everything
you don't conform,
you contort
you distort everything
you don't reply,
you rely
on everyone to set it up
breakin' away
from the system
