The sweet, sweet  
Memories you gave me  
You can't beat the  
Memories you gave me

Take one fresh and tender kiss  
Add one stolen night of bliss

One girl, one boy  
Some grief, some joy  
Memories are made of this

Don't forget a small moonbeam  
Fold in lightly with a dream

Your lips and mine  
Two sips of wine  
Memories are made of this

Then add the wedding bells  
One house where lovers dwell  
Three little kids for the flavor

Stir carefully through the days  
See how the flavor stays  
These are the dreams you will savor

With His blessings from above  
Serve it generously with love

One man, one wife  
One love through life  
Memories are made of this  
Memories are made of this  
Memories are made of this
