10 bill in your pocket, \$10 bill
What you gonna buy with that greenback?
What kind of thrill?
\$10 bill in your pocket, \$10 bill
Tell me where did you get that money?
Who'd you have to kill? (Rock!)

Got a big black gun in my pocket, got a big black gun
It's time to share that cash now, nowhere to run
Got a big black gun in my pocket, got a big black gun
Let's find a 7-11 and have some fun (Rock!)

10 a.m. the landlord's knocking
knocking on my door
Can't you see I got no money
I can't give no more
2 p.m. the landlord's bangin'
trying one more tim
You can knock the damn door down
but you ain't gonna get a dime (Rock
