She's sitting all alone
She's hanging on the phone
She's trying to get through a relationship that has
slipped

It's his voice on the line
He pretends that he's fine
He's fighting hard to forget an Asian angel he met

That's how it goes, the story of us.
Only, heaven will know if I'll see you again, baby
I lived this summer spending quality time with you
Baby, now it ends, I don't wanna let you go girl

Gio day anh chi con om noi nho voi khuc hat xot xa
Chuyen tinh doi ta tua nhu suong may troi bay da khuat
qua
Ta khong con di chung buoc nua, anh nho em trien
mien chieu mua
Khong con nhung mo uoc xua se mai mai co ben nhau...

Gio day anh chi con om noi nho voi khuc hat xot xa
Chuyen tinh doi ta tua nhu suong may troi bay da khuat
qua
Ta khong con di chung loi cu, anh nho em trien mien
chieu thu
Khong con nge em no cau "I LOVE YOU" anymore...
