My people, my pride, my homeland, my honor
My culture, my custom, my country, my color

This is my motherland
This is my earth and sand
This is where i call home
This is where i belong

Four Thousand years of history that we reflect
My culture and values is about respect
So i bow my head to all our heroes
And light an incant to rested souls
Who fear not death to our people
Though we are small
We still stand tall
Through all the wars
Pick ourselves up after we fall
Cause my culture's tough and my people are
determine
When the going get rough we keep on coming

Vietnam, let hear you say, Vietnam (x4)

Chorus:
Black & Sliky is my hair
The color of my skin is yellow
I'm proud of being who i am
I'll never ever be a shame
Got a straw hat on my head
I like to wear my sexy ao dai
I'm proud of being who i am
I'll never ever be a shame

Over a thousand year foreign colonization
We've always prevailas an independent nation
We wiped our tears and persevered
We've beat north and conquered the south
We've defeated the east and humiated the west,
Though we are small
We still stand tall
Through all the wars

Pick ourselves up after we fall
Cause my culture's tough and my people's determine
When the going get rough we keep on coming

Vietnam, let me hear you say, Vietnam (x2)

(Chorus)

Vietnam, let me hear you say, Vietnam (x4)
