Come in from the cold  
I've got something to say to you babe  
I've been out of control  
I've been waiting to tell you for days  
But I've been alone for so long  
Sometimes I don't know what to say

When something unstoppable  
Flows in my veins  
You did the impossible  
Can you do it again?  
'Cos I know I'm impossible  
But I've held out for years  
For something unstoppable  
I can't believe that  
I can't believe that it's here

I held a piece of me back  
For so long I don't know what to say  
How do I make it plain?  
Dor I have to say it out loud?  
Shall I write out your name  
In a long vapour trail in the clouds?

I've been alone for so long  
Sometimes I don't know what to say  
Something unstoppable  
Flows in my veins  
You did the impossible  
Can you do it again?  
'Cos I know I'm impossible  
But I held out for years  
For something unstoppable  
I can't believe that  
I can't believe that it's here
