

## Minimum Serious "Hate Myself"

What can I do to make you smile tonight ?  
What can I say to dodge a useless fight ?  
What in the world will ever make you see ?  
What have you done to be down on your knees ?  
Tell me what

What can I do to make you smile tonight ?  
What can I say to dodge a useless fight ?  
What have you done to be so far from me ?  
What in the world will ever make you see ?  
Tell me...

"I've been so depressed, now that I'm on my own  
I just hate myself,  
I'm just a kid it's hard to take"

Refrain  
I don't wanna let you down tonight (x 2)  
Once upon a time I knew a strong girl  
Never crossed the line, got along with me  
Time flies by but it's not too late  
I'll do anything, will you stay with me ?

What did you do to be so sad tonight ?  
What will you do now that you've got my heart ?  
You can keep it, you can break it  
Just tell it's alright  
Alright

"I've been so depressed, now that I'm on my own  
I just hate myself,  
I'm just a kid it's hard to take"

Refrain

Stay with me...  
Hate myself (x 4)

"I've been so depressed, now that I'm on my own  
I just hate myself,  
I'm just a kid it's hard to take"

Refrain

(Merci ? Keynah pour cetttes paroles)
