Hey Mr. Jim I can see the shape you're in  
Finger on your eyebrow and left hand on your hip  
Thinking that you're such a lady killer  
Think you're so slick?  
Well alright

Brother Johnny, he caught a plane and he got on it  
Now he's a razor in the wind and he's got a pistol in his  
pocket  
They say the man is crazy on the Coast  
Lord there ain't no doubt about it  
Well alright

Sister Sue, tell me baby what are we gonna do?  
And she said, "Take two candles and then you burn  
them out  
Make a paper boat, light it and send it out"  
Send it out now

Rosita, donde vas con mi carro Rosita?  
Tu sabes que te quiero  
Pero ti me quitas todo ya te robasta mi television y mi  
radio  
Y ahora quiere llevarse mi carro no me haga asi Rosita  
Ven aqui, ehi, estese aqui al lado Rosita

Spanish Stroll, Spanish Stroll

Hey Johnny, they're looking for you man
