I won't be satisfied I won't be happy
I won't be satisfied 'till I'm back in baby's arms

She gives me consolation
She lifts me above the ground
A woman like that knows nobody's lucky
She say's "When you're up
There's no other way but down"

I know she's nobody's angel
I know she don't belong to no man
A woman like that knows nothing comes easy
She says "You get what you want
By biting the feeding hand"

I won't be satisfied I won't be happy
I won't be satisfied 'till I'm back in baby's arms

She gives me a splitting headache
She taught me how to live
That woman knows I'll always love her
And I'll always know that she'll never care

I won't be satisfied I won't be happy
I won't be satisfied 'till I'm back in baby's arms
I won't be satisfied I won't be happy
I won't be satisfied 'till I'm back in baby's arms
