I was lost and so alone when I found you
So close to gone then I found you, so alone
I was crawling on my knees when I found you
Down on my knees then I found you, so close to gone

Back down don't wanna be your hero
Turn around burn it down like Nero

Oh, Forever and a day I yearn to be
Everything I could never be, I wanna be
I've gone blind, why can't I see
Sometimes I feel like I can't see, I'll never be

Back down don't wanna be your hero
Turn around burn it down like Nero

Yeah, We were burning down Rome
Everything we had is gone We were burning down
Rome
Yeah, We were burning down Rome
Everything we had is gone We were burning down
Rome
