Well I do just what I want
I do what I want to do
Well I got just what I want
What I want from you
And I don't give a damn if you
Don't see my point of view
I'll do just what I can
I'll do it all in spite of you, yeah

Well I'll do just what I can
I'll do what I can for me
And I'll give just what I can
I'll give it all and more for me
And I don't really hear anything
Don't really hear anything when you speak
And I don't really care
Why don't you let the truth set you free

I'm charmed by your kisses
I'm charmed by your touch
I'm charmed by your feelings for me
How could one girl care so much
I'm charmed by your virtues
I'm charmed you're on knees
I'm charmed by your innocence
But this charmed life just ain't for me

Well I gave just what I could
I gave what I could for us
You took just what I gave
Monogamy, faith and trust
And now I understand you thought
It was love when it was lust
And now I understand what's
Solid rock can turn to dust

I'm charmed by your kisses
I'm charmed by your touch
I'm charmed by your feelings for me
How could one girl care so much
I'm charmed by your virtues
I'm charmed you're on knees

I'm charmed by your innocence
But this charmed life just ain't for me
