"Don't Cry"

You gave me choice
Distracted by your wiles and moves
Blinded by your voice You gave me no chance
Played as a toy in need of your poses and stance

Baby don't cry, Baby don't cry anymore
Baby don't cry, Don't you, don't you cry anymore

You gave me no room
Raised by a motion and passed
Votes passing on through You gave me no sign
Feelings that we felt in secret are fading with time

Baby don't cry, Baby don't cry anymore
Baby don't cry, Don't you, don't you cry anymore

Hold on sweet heart, don't you say a word
I'm right here you beside you darling
Going nowhere, nowhere, nowhere
So baby don't cry

Baby don't cry anymore
Baby don't cry, Don't you, don't you cry anymore
