There's a fly on the wall  
He knows everything he see's it all  
Swat hard taking the fall. So low he learns to crawl  
There's a thought running through my head  
I think of what those people said  
"Slow down you'll soon be dead"  
I think I'm spinning round and round and

All I know is what I've been told  
At the end of the rainbow ain't no pot of gold  
I don't hear man cause I've been there  
I found salvation and I won't share

There's a blonde rolling on the lawn  
Insane she turns me on Hold back or else I'm gone  
Be there to pay my bond Experience is nothing to tell  
It's penny stock in the wishing well  
I met a man "You want to make a deal"  
I think I'm spinning round and round and

All I know is what I've been told  
At the end of the rainbow ain't no pot of gold  
I don't hear man cause I've been there  
I found salvation and I won't share
