Yeah Yeah

I'm just a miserable bastard
Anyone who's around me much already knows
I'm just a miserable man yeah I'm a sight to behold

I'm just a lonely little fuck
Nobody ever comes to see me
I'm just a miserable man yeah I'm a sight to behold

Hey Yeah I don't know what I'm gonna find
But I got to find it right now
Hey Yeah I don't know what I'm gonna find
But I got to find it some how

I'm just a broken body
Devoid of all aspects of human touch
I'm coming out of my skin yeah I'm a sight to behold

I'm just a bleeding heart case
I got my problems and I'll share them with you
My head is caving in yeah I'm a sight to behold

Hey Yeah I don't know what I'm gonna find
But I got to find it right now
Hey Yeah I don't know what I'm gonna find
But I got to find it some how

Hush now baby don't you cry
Momma keep you right here safe, warm and dry
Hush now baby don't you say a word
On the second thought go a head kid
You won't get hurt

Hey Yeah I don't know what I'm gonna find
But I got to find it right now
Hey Yeah I don't know what I'm gonna find
But I got to find it some how
