

Minnesota Sex Junkies "Without You"

I should have known it was over
I should have heard you say goodbye
I should have seen you go as you were leaving
I should have seen your exit from my life

It's too late for cryin' It's too late tonight
It's too late for cryin' It's too late tonight

Once I heard love was easy
Once I thought I would try
Once I found it I thought I had it all
Once I lost it I thought I would die

It's too late to save me It's too late to care
It's too late to save me It's too late to care
