Every time I look at you
I remember all that we've been through
No I can't imagine living without you
I don't need no symphony
I hear music when you're lovin' me
You make all the world revolve in harmony, oh

Baby, let's stick together
Just like two birds of a feather do
I found my treasure in you
Baby, let's stick together
Wand we will ride stormy through
Until each gray sky turns blue

Though no riches to speak of
We possess the world's most priceless love
Heaven sent us something special from above
Precious moments come alive
Happiness is layin' by your side
And there's still so many dreams we've yet to try

Baby, let's stick together
Just like two birds of a feather do
Life's such a pleasure with you
Baby, let's stick together
'Cause there's nothin' I'd rather do
Than stick together with you

Oh baby, baby, oh baby
Yes yes yes baby
Oh oh oh

Let's stick together
Let's stick together

You get me feel so fine
Baby I can't believe that you're mine
Stick together, yeah, stick together, yeah
Stick together, yeah, stick together, yeah

I feel the things you could do
Baby I know you like it too

Stick together, yeah, stick together, oh
Stick together, yeah, stick together

Together, right now
