"Loving You"

Loving you is easy 'cause you're beautifull,
And making love with you is all I wanna do.
Loving you is more then just a dream come true,
And everything that I do, is out of loving you.

La la la la la, la la la la la...

No-one else can make me feel the colors that you
bring.
Stay with me while we grow old and we will live each
day inspringtime.
'Cause loving you has made my life so beautifull,
And everyday of my life is filled with loving you.

Loving you, I see your soul come shining through,
And everytime that we, oohh...
I'm more in love with you.

La la la la la, la la la la la...

No-one else can make me feel the colors that you
bring,
Stay with me while we grow old and we will live each
day inspringtime.
'Cause loving you is easy 'cause you're beautifull,
And every day of my life is filled with loving you.
Loving you, I see your soul come shining through,
And everytime that we, oohh...
I'm more in love with you.

La la la la la, la la la la la...
