Artist: Minor Majority  
Title: As good as it gets

-----  
So your appearance make them forget  
they never loved you for what you possess  
and if this is as good as it gets  
and you should let it rest

and you might wanna change your name  
the crowd's just a part of the game  
and there's no way you can relate to them

so tell me, do you feel at ease?  
and just who are you trying to please?  
'coz your honesty's worth shit to me  
if it comes for free

Be a hero, they won't let you fail  
the crowd's just a part of the trade  
And what they own they will one day claim

I'm sure if you do what they want you to  
you'll stay a prince  
as long as you do what they want you to

do you take pride in the little in yourself?  
'coz you're not fooling anyone else  
tell me, if you are so great  
what's on top of that shelf

you need to leave all your things behind  
you made up reasons to hang around  
and now they left you with nowhere to go

I'm sure if you do what they want you to  
you'll stay a prince  
as long as you do what they want you to  
you'll stay a prince  
as long as you do what they want you to..
