Gotta know for sure, my love
would you still pick me if you could choose,
or am I just a part of the everyday things you do?

Used to know my way round here and now I haven't got
a clue
Caught up in the everyday things we do
Caught up in the everyday things we do

[Chorus]
So take my hand
Let me know I'm safe
Just because you can
And if I'm still here
Turn the TV off
Let the telephone ring
'coz I don't feel a thing
Blow the daylight out
Let the night begin

Used to make you happy, darling
Now I'm put out of use
Turned off by the everyday things we do
Now tell me 'coz I'm outta here
Where'd ya put my shoes?
stood up by the everyday things we do
stood up by the everyday things we do

[Chorus]
So take my hand
Let me know I'm safe
Just because you can
But if I'm still here
Turn the TV off
Let the telephone ring
'coz I can't feel a thing
Blow the daylight out
Let the evening in
Blow the daylight out
Let the darkness in
Blow the daylight out

Let the night begin

Gotta know for sure my love
Would you still pick me if you could choose,
Or am I just a part of the everyday things you do?
