Title: Live Your Life As You Look

Pretty baby
Look alive with time...
Move on girl
'Coz you move time..
And you and I are one of a kind I reckon..
If you'd stay we could share this moment together,
I'm seeking your eyes just to enter your mind for a
while..

Im'a losin'
Losing direction.
There's two people running.
Come closer.
I want you to see
Put my hand on your shoulder,
on you,
who have no such need.

And you and I are one of a kind I reckon,
if you stay we could share this moment together..
I'm seeking your eyes just to enter your mind for a
while.

There she goes,
and her feet are dancing,
dancing with the street.
Live your life as you look,
Live your life as you look,
Live your life as you look,
your life as you look.

And you and I are one of a kind I reckon,
if you stay we could share this moment together,
You and I are one of a kind I reckon,
if you stay we could share this moment together,
I'm seeking your eyes just to enter your mind for a
while.

There she goes.
Live your life as you look.
Live your life as you look.
