Think I'll walk this walk alone
I'll do this one on my own
feet in the ground
I'm not afraid to let you go
I just hate to let you know
now you're on your own

I wish you knew..
yeah I do..
I wish you knew..

I'll rather walk this walk alone
'stead of searching for a reason
just for hanging 'round
and I'm not afraid of loosing myself
might be better being someone else

I wish you knew..
yeah I do..
I wish you knew..
yeah I do..

So much for asking, but did it hurt?
Just wanna know, I wanna know for sure
for sure...

I wish you knew..
yeah I do..
I wish you knew..
yeah I do..
