Intro:

MC

Mint Condition hook you up

Ain't hooking me up enough (come on)

Ain't hookin' me up enough (Now that you got me, what
ya gonna do with me?)

Ain't hookin' me up

Verse 1:

Started out so cool

Everything was all so new

Through the air passion flew like we were lovers

Use to be everyday of the week

Now all you wanna do is sleep

Seems I'm just hearin' one excuse after another (hey)

Bridge 1:

Wonderin' if I am the only

Feelin' deprived and feeling lonely

Or does that happen all the time

Chorus:

Ain't hookin' me up enough

Ain't hookin' me up enough baby

Ain't hookin' me up enough

Ain't givin' me (all your love)

Ain't hookin' me up enough

Ain't hookin' me up enough baby

Ain't hookin' me up enough

Ain't hookin me up

Verse 2:

Started out so good

We were doing it every chance we could

Now all I have is lonely night of reminisin' (reminisin'
yeah)

I fuss and I fight to make you see

Don't wanna be unfaithful to thee

Temptation goes strong when I don't get no hugs and
kisses (no, no)

Bridge 2:

I don't know what more to do

Need to get more love from you

Got the thing of somethin' that'll blow you mind
Make you want it all the time
Chorus
Jazz solo
Chorus
You know we use to play on uh Monday
You know you like it on Tuesday
You really love it on Wednesday
We be gettin' it on on Thursday
I really love it we do it on Friday
I really like it in the night time on Saturday
We take a break on Sunday
And get ready for Monday
Grab your hands
Adlib til the end of song
