Verse:

Honey, you got me dreamin'
My head is spinning 'round and 'round, I can't believe it
Will you tell me your name?
And if you won't, that's all right, 'cause I won't complain
(What I wanna know. . .)

Chorus:

(Are you free girl) Free to talk to me
(Are you free girl) To have a cup of tea, you see
(Are you free girl) Free to be with me
(Are you free girl, yeah, yeah yeah)

Verse:

I hope you feel the same
'Cause I've had enough of ladies playing silly games
(silly games)
Meet me, meet me half way
Because I wanna pick your brain, see what you have to
say

(Chorus)

(Are you free girl) Free up your mind
(Are you free girl) To have a cup of tea, you see

(Solo)

(Ad Lib on Chorus to End)
