Chorus:

Just come away with me
So I can make you see
That all that I can be is
Good for your heart
If we could get away
And find a time to play
And be together
It's good for your heat

Verse:

Lay your head down here
Release all your fears
I just wanna know
The things you dream of
You've been left alone
With a heart of stone
Let me show you
How it feels to be loved

Bridge:

Loving you tenderly
Showing you I will be
Good for you heart
In every way yeah yeah

Chorus

Verse:

Wherever we go
You just need to know
All you fantasies I will make real
A sweet rendezvous
Just me and you
This sweet love affair
Just for two

Bridge
