O'dell, Stokley)

Intro:

This is for all these
Special people whom God has created
Who he put on this earth
So beautiful indeed...

The woman

Verse:

Such a beautiful lady
The kind you find in a dream
And dreams are so real for me
With eyes so warm and soothing
They put me in a trance
And I imagine us by the warm cozy fireplace
The light shines on your face
Your smile gets me higher and higher
My heart starts to race
I gotta say what I feel
Cause girl you look so good to me

Chorus:

So fine lady
So fine you sway me
So fine lady
So fine you sway me

Verse:

Can't believe my eyes
Take me for a ride
Such a woman of quality
Your body's so supreme
When you dance you sway so elegantly
Girl you simply dazzle me
You put me in a trance
And I imagine you and me
Just kissin away
My fingers in your hair
Your embrace holds tighter and tighter
Your touch makes me say
I gotta stop to look
Cause girl you look so damn good to me

Chorus

Guitar solo
Chorus
Adlib til the end of song
