Lawrence El)

Verse:

It feels so good when I'm with you
Pure ecstasy
It's just the little things that you do
That makes me wanna be right there
When you need
Someone to love

Chorus:

Cause if it's love you seek
I'll give you all the love you need
Just take my hand
And I'll lead the way
If you need someone to love

Verse:

Your lips your eyes they get to me baby
And I lose control
Such a warm personality
You make me want it more and more and more each
day
I wanna be your someone to love

Chorus

Bridge:

I'll give you more
More than you've ever know
A love you can call your own
My heart and soul
I'll give to you
I'll be dedicated
I know that we can make it baby

Chorus

2x

Verse:

Someone to love
Someone to hold
Someone to kiss
With you I wanna grow old
Someone to squeeze
Someone to tease
So just believe

I'll always be faithful
Adlib til the end of song
