Lawrence El)

Intro:

You know

We can't do this

We just can't

Listen

Verse:

You say you feel disenchanted

Cause lately he takes you for granted

Still faithful and true you've remain to hurt so have I

You pour out your heart and I listen

And we catch a vibe reminising

Temptation so strong not to meanton the yearning  
inside

Chorus:

But what kind of man would I be

If I lived unfaithfully

And what kind of girl would you be

If you did the same

Cause I don't want to see her cry

And you don't need a reason to lie

Cause if we lay down tonight

It won't justify through a lover's sigh

Verse:

The feeling is strong and we know it

But we gotta see past the moment

There's too much to lose if we blow it

This is no lie

Still here we are both together

With promises made that we'd never

Yet feeling it now more than ever

I can't deny

Chorus

Guitar solo

Bridge:

Here we are

All alone

But somehow we got to be strong

Chorus

Adlib

Makes me wanna say oh-oh

Just gotta say oh-oh  
Makes me wanna say oh-oh  
Just gotta say oh-oh  
What kind of man could I be  
Oh can't be unfaithful  
Sorry baby
