Well i take notes
Of all the distant roads
The sidewalk stones
I have walked
For ive been around
I have looked left and right
But i can't seem to find
Where to go
I guess i talk a lot
Bout regaining what is lost
I keep notes
I guess youve had enough
I guess i talk too much
But you keep smiling
Now the road is closed
But i had different hopes
Cause all the maps they showed
It goes on
I hope it's worth the while
To have another try
Whenever space is mine
I take notes
I guess i talk a lot
Bout regaining what is lost
I keep notes
I guess youve had enough
I guess i talk too much
Ill keep trying
So please stay alert
I hope you change the words
Don't wanna fear the worst
Ill hold on
I see you're holding on
I see you standing strong
So can i have some
Ill take notes
I guess i talk a lot
Bout regaining what is lost
I keep notes
I guess youve had enough
I guess i talk too much
But you keep smiling
