Hey, let's cross the sea
And get some culture.
Red wine with every meal
And absinthe after dinner.
We'd look good side by side
Walking back to the hotel

We've got to get something
To eat and to drink yeah,
And find a place to stay
That's not far off the main way-
We've got to plan our day:
Rodin AT the Orsay
And find a way to cram it all in
Before we drink hard again

Let's get a bottle and drink alone tonight
Let's get a bottle and drink alone tonight

'This light looks good on you,'
Morning came early.
Sitting on a park bench
That's older than my country
Two star hotel
Near St. Germain.
Two star hotel
Where the stars don't mean anything.
