Searching for your position in life.
Get married and buy a luxury car.
Positive to the pregnancy test.
Best get a second hand job.
Trying to hold your pride up high
When you know that you need another life.
I want to explore the artistic mind.
Go places where the water tastes like wine.
Standard living forced upon you,
Smothering you from your first breath
What role must i take upon myself if
I have nothing to stand on.
Will i be predator or prey or will i
Be both in this huge animal farm.
Crossroads are in front of you.
