Walking down Dayglow Vista Road
Taking a break to read the stones
Sunken graves that seem to say
"We're not here anymore,"
And it's like they never been here before

Everybody's got a shine on
Walking down Dayglow Vista Road
Everybody's got a high on
Down by the old path ghosts

You look so sweet
With the sunlight filtered down on you
I'm under your thumb
Don't want to get stuck
When the storm comes

Everybody's got a shine on
Walking down Dayglow Vista Road
Everybody's got a high on
Down by the old path ghosts

What's a little bit of rain?

As we walk on it comes on night
And the pathway fades away
Lost in a forest graveyard
And we're tripping the night away

Everybody's got a shine on
Walking down Dayglow Vista Road
Everybody's got a high on
Walking down Dayglow Vista Road
Everybody's got a shine on
