She's got a couple down
Shooting shots like with a gun
I think she's gonna die

Go on go on go on go on go on
Go on go on go on go on go on

But she stands and starts to dance
She can't dance
Ya it's alright

Go on go on go on go on go on
Go on go on go on go on go on

She's got on some good jeans
No one sitting round here
Can put down their drinks
She's got on

She danced up to me
Took a drink of my drink
Now a man is standing up

Go on go on go on go on go on
Go on go on go on go on go on

She's got on some good jeans
No one sitting round here
Can put down their drinks
She's got on
