"My Time"

Turn off the lights,
Touch me in the dark,
Fade into the feeling,
Whisper in my ear
What you want, what you need.
Tell me my name,
Tell me my name again
Just yell out my name, baby.

I got your nights, I got your days
I got you on my time

You taste like sweet wine
And we are magnified
The sweat rolls down your thigh,
Making moves so blind
It's what you want, it's what you need-
I'm just the same, baby

I got your nights, I got your days
I got you on my time

And you're holding on to me like an old love
That you know every inch of.
When I feel you start to go
I'll take it slow
Until your body's saying more

I got your nights, I got your days
I got you on my time
You're gonna be on my time
