She's got a couple down
Shooting shots like with a gun
I think she's gunna die

Go on go on go go on
Go on go on go go on

But she stands and starts to dance
But she can't dance
Yeah it's alright

Go on go on go go on
Go on go on go go on

Shes got on
Some good jeans
No ones sitting around here
Cant but down their drinks

She danced up to me
And took a drink
Of my drink
And now her man is standing up

Go on go on go go on
Go on go on go go on

Shes got on
Some good jeans
No ones sitting around here
Cant but down their drinks
