To Say Or Not To Say:

people say nothing ventured nothing gain  
so i tried to confront you to know your name  
but i was to shy and i refrained  
flushed my chances down the drain

why can't life be easy like abc  
so that things can work between you and me  
but i've learned the hard way respectfully  
oh i hope that you can see

now i want to confess that i love you  
it is not a dream but it is true  
after all the things that i've been through  
now's the time that i tell you

What Did I Say:

what did i say what did i do  
have i ever heard your feelings  
have i ever lied to you  
cos i will never go so far  
and i will never let u down girl  
oh i will never do

Hard To Say Goodbye To Yesterday:

and i'll take with me the memories  
to bring my sunshine after the rain  
its so hard to say goodbye to yesterday

its so hard to say goodbye to yesterday
