Going through that open door  
Where pleasure's running wild and sore,  
I want to find myself a little love, but i find cherubs with  
big old horns.  
The plan has failed to kill the love inside my heart.  
I will not lie to my burning flesh and soul.  
Do it today, got to do it!  
Lie to myself, lie to my soul.  
Love comes like a bright/bad idea,  
We can't revolt or run away.  
The hunt is my favorite part,  
Just like it's the animals instinct to seek a partner.  
The plan has failed, to kill the love inside my heart.  
I will not lie to my burning flesh and soul.  
Do it today, got to do it today!  
Going through that open door where pleasure is  
running wild inside my head.  
I want to find myself a little love, but i find cherubs with  
big old horns.
