Mhmm alright
alright
mhmm i seed
alright

Then a boy a sirence in my head
that sounds like maby he's crying
it's the long face

When my emotions rain
the boss of the city is a cab driver
running up to my face and in to my arms
in to my arms

shed only summer bed
keep away most affaird
when i feel this way there for i am

It's you
its me
walking down that stream

wiss i could se my home in to the rome
to regret being dead

Allright
baby dont leave

Then a boy a sirence in my head
that sounds like maby he's crying
it's the long face

When my emotions rain
the boss of the city is a cab driver
running up to my face and in to my arms yeah
in to my arms yeah

shed only summer bed
keep away most affaird
couse its you and me walking down that stream

wiss i could se my home in to the rome
to regret being dead
yeah
hide from the attention (2x)
i want the attention (2x)

wiss i could se my home in to the rome
to regret being dead
allright
hide from the attention (2x)
i want the attention
hide from the attention
