Is it strange to know
How easily you stopped me?
I've got a reason to blame now
I'll run into the shade with it
I knew you could stop me
But i kind of liked the game
I should have had more self control
And it drives me insane
That there's nothing i can do
About the current situation
And it blows my mind
But that's not what i came for
That's not why i'm here
Looking for an answer
Has created all my fears
It has put me on the run
I act like i'm having fun
I hide all my insecurities
Until i explode

Like a gun
Like a sure thing fired at the sun
Would you run into the grave?
With a gun
With my blood stained hands feeling numb
Would you blow it all away?

How did you get here?
I've got to know
I've tried to figure that out
But that's not what i came for
It's not why i'm here
Looking for an answer
Has created all my fears
Until i explode

Like a gun
Like a sure thing fired at the sun
Would you run into the grave?
With a gun
With my blood stained hands feeling numb
Would you blow it all away?

Like a gun
Like a sure thing fired at the sun
Would you blow it all away?

What have i become?
Self control
Letting go
Has lost all it's fun
Cause there's nothing i can do
About the current situation
And it blows my mind

Like a gun
Like a sure thing fired at the sun
Would you run into the grave?
With a gun
With my blood stained hands feeling numb
Would you blow it all away?
Like a gun
Like a sure thing fired at the sun
Would you blow it all away?
