"All Of Our Love"

Visit "[All Of Our Love](#)" on MotoLyrics.com

All of our love we give to you
Can you see what we see
Can we see it too?

All of our hate we give to you
Can you do what what we do
Can we do it too?

All of our joy we give to you
Can you say what we say
Can we say it too?

All of our pain we give to you
Can you be what we be
Can we be it too?

All of our love
We give it to you

All of our hate
We give you that too

All of our pain
We give you that too

All of our love
All of our hate
All of our joy
All of our pain

Love, hate, joy, pain
