Auntie's operation  
Auntie's operation  
Auntie's operation  
She's coming around

Auntie's operation  
Auntie's operation  
Auntie's operation  
And you're going down

She'll want your sympathy  
She'll never let you be  
She's sniffing at your food  
Before it's even chewed

Auntie's operation  
Auntie's operation  
Auntie's operation  
She's coming around

Auntie's operation  
Auntie's operation  
Auntie's operation  
And you're going down

She thinks she's world renown  
With the pastor of Paris crown  
Before you think ahead  
She'll be sleeping in your bed

Auntie's operation  
Auntie's operation  
Auntie's operation  
You're coming around

Auntie's operation  
Auntie's operation  
Auntie's operation  
Auntie's operation

Auntie's operation  
Auntie's operation

Auntie's operation  
Auntie's operation

She's coming around
