Unopened door on the 13th floor Conspiracy in the corridors

I'll take you down Down to cripples crown

What should you say? What can you do? Satellites are watching you

I'll take you down Down to cripples crown I'll take you down Down to cripples crown

At this dark hour, who'll be there?

Open the door if you dare Venus fly trap on the stairs

I'll take you down Down to cripples crown

There'll be no time, there'll be no tears The elevator disappears

I'll take you down Down to cripples crown I'll take you down Down to cripples crown

Cripples crown Cripples crown Cripples crown Cripples crown
