Oh, where did you go?
Waiting by the rocks
Stories never told

When you cried out loud
It never made a sound
Away from the towns
And far from the crowds

Gold, silver and gold
Waiting by the rocks
Shivering cold

Like Miranda said
Life's not for the dead
Away from the sounds
And far from the crowds

Oh, where did you go?
Waiting by the rocks
Stories never told

One forgotten day
Sadly passed away
Into the ground
And far from the crowds

Far from the crowds
Far from the crowds
Far from the crowds
