I walked by the window
And stopped in the light
I stood there watching
The fireflies

Went down to the ocean
In search of a song
Wherever I'm going
That's where I belong

Fireflies fly on by
You will never ever see me cry
You won't see me cry
You won't see me cry

Sand [Incomprehensible]
Appear on the shore
If you ask for nothing
You'll get nothing more

I walked by the window
And stopped in the light
I stood there counting
The fireflies

Fireflies fly on by
You will never ever see me cry
You won't see me cry
You won't see me cry

Fireflies fly on by
You will never ever see me cry
You won't see me cry
You won't see me cry

I'm watching fireflies, watching fireflies
I'm watching fireflies, watching fireflies
I'm watching fireflies, watching fireflies
