You left before the rain came down
December was the only sound
All the leaves fell to the ground
When you went away

It's a crying shame to see
A kiss become a memory
Now I know just what you mean
When you say

Way above, where the north winds blow
We will watch out afar to the valley below
Oh, Jacqueline I know
Oh, Jacqueline I know

A pattern of the ways it seems
That's the way it has to be
Now I know just what you mean
When you say

Way above, where the north winds blow
We will watch out afar to the valley below
Oh, Jacqueline I know
Oh, Jacqueline I know

The coven house where you now go
It stole our love, don't you know
Don't you know?

Oh, Jacqueline don't go
Oh, Jacqueline I know
Oh, Jacqueline don't go
Oh, Jacqueline I know
