Stay by my side, let me wander  
Through the darkness of your eyes  
The moon, it comes rising like a ghost upon the tide  
Your sweet smile

And when you hide  
Where do you hide?  
What do you do?  
Rebecca you

You're out of reach  
You built a wall around you, I can't breach  
There's no way through  
Rebecca you

Catch your dream of the silence  
On the pathways of my mind  
When I return on the roads  
That always seem to lead nowhere  
Will you [Incomprehensible]

Oh, when you hide  
Where do you hide?  
What do you do?  
Rebecca you

You're out of reach  
Built a wall around you, I can't breach  
There's no way through  
Rebecca you

And when you hide  
Where do you hide?  
What do you do?  
Rebecca you

You're out of reach  
You've built a wall around you, I can't breach  
There's no way through  
Rebecca you

Rebecca you

Rebecca you  
Rebecca you
