Simon Diamond sold his soul
Changed his name by deed poll
Started out as Simon Russell
Lived his life inside a nutshell

Ooh, ooh, ooh, ooh

He couldn't take the public scorn
Changed from human to plant form
Now he swapped his legs for roots
His arms and soil are in cahoots

Ooh, ooh, ooh, ooh

What will become of Simon Diamond?
Water himself can't change the climate
What will become of Simon Diamond?
Water himself can't change the climate

Ooh, ooh, ooh, ooh
