The oldest path beneath the grave
Lies a myth that's still the same
There ain't no way to make a change
Till kings and queens have walked in chains

And the wind, it blows them down
And the sea, it takes them in
In their sleep, you'll find the answer
To everywhere they have been

Sailors tossed by stormy seas
All in the name of slavery
Arm in arm, toe to toe
Sometimes your best friend is your foe

And the wind blows them down
And the sea, it takes them in
In their sleep, you'll find the answer
To everywhere they have been

Side by side, their past's in disguise
Together alone as he greeted the tide
And on the water knees lay the thoughts
Of a hundred sunken shackle bound souls

And the wind blows them down
And the sea, it takes them in
In their sleep you'll find the answer
To everywhere they have been
